2-Naphthalenecarboxylicacid, 3-hydroxy-4-[2-(4-methyl-2-sulfophenyl)diazenyl]-, barium salt (1:1) (cas 17852-98-1) MSDS

Updated June 14, 2007

RED No. 6 D&C LAKE (LI QUI D)
Material Safety Data Sheet (MSDS)

1. PRODUCT IDENTIFICATION

Product Name: Red No. 6 D&C Lake (liquid)
Eyes: Irrigate eyes with a heavy stream of water for at least 15 to 20 minutes. If irritation persists get medical attention.
Chemical Name: 3-hydroxy-4-[2-(4-methyl-2-sulfophenyl)diazenyl]-2-naphtoic acid, barium salt & castor oil
Skin: Wash exposed areas of the body with soap and water.
CAS Numbers: 17852-98-1, 8001-79-4

2. PHYSICAL & CHEMICAL PROPERTIES

Flash Point: no data available
Melting Point: not applicable
Explosion Hazard: no data available
Boiling Point: not applicable
Extinguishing Media: Use extinguishing media appropriate for surrounding.
Full Shade: not determined

3. STABILITY & REACTIVITY

Acute Toxicity: LD50 > 10 000 mg/ kg (oral)
Skin Irritation: non irritant
Eye Irritation: non irritant
Incompatibility: no data available
Carcinogenicity: no data available
Hazardous Decomposition Products: no data available
Hazardous Polymerisation: no data available

4. HANDLING & STORAGE

Storage and disposal must be in accordance with applicable local, state & federal disposal regulations. Characterization and compliance with applicable laws are the responsibility solely of the generator.
practices should be followed when handling this material. Avoid freezing or excessive heat. Do not handle or store near an open flame, heat or other sources of ignition. Keep the container tightly closed and in a cool, well-ventilated place.

5. ACCIDENTAL RELEASE MEASURES

Sea Transport I MDG Code: Refer to corresponding hazard class
Isolate spill area immediately. Keep unauthorized personnel away.
Air Transport I ATA: Refer to corresponding hazard class
Ventilate closed spaces before entering. Do not touch or walk...
through spilled material. Prevent entry into waterways, sewers.

13. Do not store in basements or confined areas. Surface may become slippery after spillage. Inert material such as sand, saw dust or earth may be added. This information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any other process. Such information is to be

6. EXPOSURE CONTROLS & PERSONAL PROTECTION: The best of the company’s knowledge and believed accurate and reliable as of the date indicated. However, no representation, warranty or guarantee of any kind, express or implied, is made as to its accuracy, reliability or completeness and we assume no responsibility for any loss, damage or expense, direct or consequential, arising out of use. It is the user’s responsibility to satisfy himself as to the suitableness & completeness of such information for his own particular use.

I nhalation: Acute inhalation of vapor may cause irritation to the respiratory tract.

Eye Contact: May cause irritation.

Skin Contact: May cause irritation.

Ingestion: May cause irritations to the gastrointestinal tract.
